An examiner's amendment to the record appears below. Should the changes be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

**Claims 10-14** have been cancelled as being to an invention that was non-elected without traverse.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Gerald Hespos on June 22, 2004. In addition, Mr. Hespos confirmed that, despite the remarks, claim 5 remains in the application.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
